

Lenovo™ ThinkPad T570

READY FOR BUSINESS, DAY & NIGHT

Fast performance and stamina in a durable, portable design – ThinkPad T570 delivers a world productivity you can count on, wherever you go.

With the world open for business 24/7, you need a portable PC that can keep pace. Like the ThinkPad T570. Powered by 7th generation Intel® Core™ processors and plenty of RAM, this 15.6" laptop can run for 16 hours on a single charge. It also has solid-state storage for faster performance and time-saving features, including a secure touch fingerprint reader and facial recognition log in. All of this, plus our legendary ThinkPad reliability and support.

WHY YOU SHOULD BUY THE LENOVO™ THINKPAD T570

Performance You Can Count On

With the responsiveness and efficiency of 7th generation Intel® Core™ processors, you can switch effortlessly between your favorite apps – increasing your productivity and enjoyment.

User-Friendly, Business-Friendly

Easy to set up and roll out, the T570 is quick to service, upgrade, and secure. From an everyday user to an IT technician, these business laptops make life (and work) easier for everyone.

Less Really is More

Available with Microsoft Windows 10 Pro Signature Edition, you can say goodbye to unwanted trial ware, apps, or distractions. Hello to a faster laptop, from start up to shut down.

Forgotten Password? Don't Sweat It, Just Smile

With Windows Hello's facial recognition and fingerprint technology, there's no need to remember a password. Simply smile at the camera or touch the scanner to log in, quickly and securely.

Make Light Work of Long Days

With its two batteries and Power Bridge technology, the T570 gives greater flexibility and around 16 hours of power on a single charge – reducing the need to hunt for a wall socket while you're on the move.

On-the-Go Productivity and Entertainment

Weighing around 2.04 kg / 4.5 lbs and just 19.95 mm / 0.78" thin, the T570 gives you portability and performance. Ideal for working on the go or kicking back to enjoy a movie.

WHO NEEDS THE LENOVO™ THINKPAD T570?

- 1** Solutions-focused users who recognise the benefits of powerful device with a long-lasting battery – for a performance they can count on.
- 2** Users who are less discerning about devices and technology, who just want the shortest, reliable route to getting the job done.
- 3** Multitasking professionals who expect enterprise standard performance – combined with a highly durable design, built to withstand the rigors of using your computer while commuting.

RECOMMENDED SERVICES

Lenovo offers a comprehensive portfolio of services to support and protect your investment. Succeed with substance and let Lenovo Service support you all the way.

PRIORITY TECHNICAL SUPPORT

Makes your priority, our priority. 24 x 7 priority call routing to advanced-level technicians, electronic incident tracking, and escalation management services.

WARRANTY UPGRADES—ON-SITE AND NEXT BUSINESS DAY

Maximizes PC uptime and productivity by providing convenient and fast repair service at your place of business.

WARRANTY EXTENSIONS (1-3 YEARS TOTAL DURATION)

This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment, and lower the cost of ownership over time.

ACCIDENTAL DAMAGE PROTECTION

Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops, or damage to the integrated screen.

KEEP YOUR DRIVE

Retain your drive if it should happen to fail, giving you the peace of mind of knowing that your valuable data is secure.

ASSET TAGGING

Systems come equipped with a professional, flexible asset tag based on your exact specifications. PCs are easily identifiable and trackable right out of the box.
